Dear parents,

I look forward to working with your children this school year, as well as getting to know each of you. Above is the school supply list and as you can see I have a few very specific requests. I’m asking that all pencils be Ticonderoga brand due to the quality of the pencil. They are very easy for the children to sharpen due to the soft nature of the lead. Also, please bring in sanitation wipes, not baby wipes. They use these all year to wipe down their desks and chairs. I have found in doing so, there are fewer absences due to illness. Lastly, I let the children use their CD players during individual work time. They are welcome to bring in their own CD, as well as use the class CD library that is full of grade appropriate music. The CD players really help most students to focus on their work. ☺

Thank you so much for supplying us with the supplies we need to ensure a safe, happy, and healthy school year.

Ms. Harris ☺
